MEMORANDUM

Because CertusBank has responded to this Court's brief November 21, 2013 memorandum order identifying (though on information and belief) the state of citizenship of co-defendant Edward Krys, thus confirming the existence of federal subject matter jurisdiction on diversity-of-citizenship grounds, this action can go forward. This Court's customary initial scheduling order, which set a December 26 status date, remains in effect.

Milton I. Shadur
Senior United States Judge

Dated: December 9, 2013
